**JADOO POWER TO PARTICIPATE AT 34TH ANNUAL
COWEN TECHNOLOGY CONFERENCE**

Panel To Discuss Portable Fuel Cells: Are They Ready To Market Now?

FOLSOM, CA – May 24, 2006 -- **Jadoo Power Systems Inc.** (Jadoo) www.jadoolpower.com, the leading supplier of portable fuel cell power systems, announced today that **Larry Bawden, Chief Executive Officer and President**, will participate on a discussion panel at the **34th Annual Cowen Technology Conference on May 31, 2006 at 11:00am EST**. This event will be held at the New York Palace Hotel in New York City, 455 Madison Avenue.

The Cowen Technology Conference will assemble more than **200 of the most dynamic technology companies** focused on topics, such as: "Rebalancing the US Energy Portfolio," "Offshore Outsourcing," and "**Investment Opportunities in Alternative Energy.**"

Jadoo Power -- Leader in Portable Fuel Cell Shipments

As the leader in fuel cell shipments to the portable market for over two years, Jadoo plans to answer questions on the challenges of **bringing commercialized fuel cell technology to market** and delivering modular, **mission-critical "off-grid" power** solutions to various markets, such as First Responders, Portable Office users, and Professional Broadcasters.
